the Environment and Water

# *Product Emissions Standards Act 2017*

## *Product Emissions Standards Rules 2017*

### **Exemption Notice**

#### **Exemption No: ECP-22-0010E**

I, Tracy Gurnett, a Delegate of the Secretary of the Department of Climate Change, Energy, the Environment and Water (the Department) grant this exemption from Part 3 of the Product Emissions Standards Act to White International Pty Ltd (ABN 48000119380).

This exemption is granted under Section 32 of the Product Emissions Standards Rules 2017 in accordance with exemption category 30 (1)(b) for the testing, evaluation or display for the emissions-controlled products specified in Schedule 1 to this Notice, subject to the conditions specified in Schedule 2 to this Notice.

This exemption comes into force on the date that it is published on the Department's Website.

This exemption expires on the date specified in Condition 1 of Schedule 2.

In accordance with paragraph 32(1)(a) of the Rules, notice of this exemption will be published on the Department's website.

Delegate of the Secretary

## Schedule 1

### Emissions-Controlled Products (ECPs) Included in this Exemption

---

Only the ECPs specified in the table below are included in this exemption.

Make	Model Name	Equipment Type
POLWAT	KWM 7.5HP-PE50	Non-Road Engines

## Schedule 2

### Exemption Conditions

---

In accordance with subsection 34(2) of the *Product Emissions Standards Rules 2017*, the exemption for the engines specified in Schedule 1 is granted subject to the following conditions:

1. The import, testing and evaluation of the ECP must be completed prior to the expiry date of **1 June 2023**.
2. Upon arrival, the ECP must be securely stored on White International Pty Ltd premises and marked in such a manner that it is clearly identifiable as the ECP imported under this exemption.
3. A copy of this exemption must be clearly displayed in the area(s) of the premises where the ECP is stored.
4. If requested by the Department, White International Pty Ltd must be able to submit a report relating to compliance with the conditions of this exemption.
5. When the ECP has been utilised for the purpose of this exemption and is no longer required, before the expiry date of this exemption it must be either:
  - a. destroyed through a product destruction service and a certificate of destruction collected as evidence of the destruction; or
  - b. exported and a record of the export collected as evidence.
6. Any White International Pty Ltd staff or external testing agents engaged to undertake the required testing of the ECP must be made aware of the requirements and limitations of this exemption.
7. This exemption is for a total of One (1) ECP as described in Schedule 1.
