'BEFORE' ACTIVITIES

'AFTER' ACTIVITIES

		'Anytime' activities	Baseline data collection	PREPARATION	PRIMARY ACTIVITY	MAINTENANCE	Compare to baseline data
INDIGENOUS EMPLOYMENT AND TRAINING SKILLS AND	INDIGENOUS EMPLOYMENT AND TRAINING SKILLS AND			Management Plan Development	<b>COMMUNITY PARTICIPATION &amp; ENGAGEMENT</b>		
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Pest Animal Survey & Monitoring Weed Mapping & Monitoring	Seed Collection Water Management	<b>CONSERVATION ACTIONS FOR THREATENED SPECIES</b>	Pest Management Weed Treatment	Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Pest Animal Survey & Monitoring Weed Mapping & Monitoring
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General	Fencing Site Preparation Conservation Actions for Threatened Species	<b>CONSERVATION GRAZING MANAGEMENT</b>		Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General
			Water Quality Survey	Site Preparation	<b>DEBRIS REMOVAL</b>		Water Quality Survey
WORKS PLANNING & RISK SITE MONITORING PLAN	WORKS PLANNING & RISK SITE MONITORING PLAN		Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General	Site Preparation	<b>DISEASE MANAGEMENT</b>		Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Water Quality Survey	Management Practice Change Site Preparation	<b>EROSION MANAGEMENT</b>		Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Water Quality Survey
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General	Revegetation Conservation Grazing Management Site Management Public Access and Infrastructure Site Preparation	<b>FENCING</b> <i>(not related to pest management)</i>		Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Weed Mapping & Monitoring Pest Animal Survey & Monitoring	Conservation Actions for Threatened Species Weed Treatment Pest Management Management Plan Development	<b>FIRE MANAGEMENT</b>	Weed Treatment	Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Weed Mapping & Monitoring Pest Animal Survey & Monitoring
MANAGEMENT PLAN DEVELOPMENT OUTCOMES, EVALUATION & LEARNING (PROJECT)	MANAGEMENT PLAN DEVELOPMENT OUTCOMES, EVALUATION & LEARNING (PROJECT)				<b>HERITAGE CONSERVATION</b>		
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Water Quality Survey	Community Participation & Engagement Indigenous Knowledge Transfer Training Skills & Development	<b>MANAGEMENT PRACTICE CHANGE</b>	Erosion Management	Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Water Quality Survey
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Water Quality Survey Pest Animal Survey & Monitoring	Conservation Actions for Threatened Species Fire Management Site Preparation	<b>PEST MANAGEMENT</b> <i>(includes Fence Details component)</i>		Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Water Quality Survey Pest Animal Survey & Monitoring
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General	Conservation Actions for Threatened Species Site Preparation	<b>PUBLIC ACCESS &amp; INFRASTRUCTURE</b>	Fencing	Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General
PROJECT ADMINISTRATION BUSINESSES INDIGENOUS KNOWLEDGE TRANSFER DEVELOPMENT PROGRESS, OUTCOMES & LEARNING (STAGE)	PROJECT ADMINISTRATION BUSINESSES INDIGENOUS KNOWLEDGE TRANSFER DEVELOPMENT PROGRESS, OUTCOMES & LEARNING (STAGE)				<b>RESEARCH</b>		
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General	Seed Collection Plant Propagation Site Preparation Conservation Actions for Threatened Species	<b>REVEGETATION</b>	Plant Survival Survey Weed Treatment Weed Mapping & Monitoring Fencing	Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General
			Water Quality Survey	Conservation Actions for Threatened Species	<b>WATER MANAGEMENT</b>		Water Quality Survey
			Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Weed Mapping & Monitoring	Fire Management Revegetation Conservation Actions for Threatened Species	<b>WEED TREATMENT</b> <i>(other than for site preparation)</i>		Vegetation Assessment – Cwth Method Flora Survey – General Fauna Survey – General Weed Mapping & Monitoring
