**Legend**
- Known/Likely to Occur
- May Occur
- Regional Map Index
- Cities & Towns
- State Border

Produced by: Environmental Resources Information Network (2014)
Contextual data source: Geoscience Australia (2006), Geodate Topo 250K Topographic Data

**Indicative Map Only:** This map has been compiled from datasets with a range of geographic scales and quality. Species distributions are indicative only and not to be used for local assessment. Local knowledge and information should be sought to confirm the presence of the species, or its habitat, at the location of interest.

**Caveat:** The information presented in this map has been provided by a range of groups and agencies. While every effort has been made to ensure accuracy and completeness, no guarantee is given, nor responsibility taken by the Commonwealth for errors or omissions, and the Commonwealth does not accept responsibility in respect of any information or advice given in relation to, or as a consequence of, anything contained herein.
