Returns for Wildlife:

Regulation 28 of the Wildlife Regulations 2013 states that the holder of a wildlife licence must:

- provide the Secretary with a return form at the time specified in the licence, and;
- ensure that a legible copy of each return form is kept by the licence holder.

A completed return form (for the year ending 31 March) must be submitted no later than 14 April each year.

A completed return form must be submitted even if the licensee has conducted no transactions.

If no wildlife was held during the return period this should be shown as "Nil Return" on the return form.

Additional return forms are available from our Customer Service Centre on 136-186 or online at www.delwp.vic.gov.au

It is the licence holder's responsibility to comply with all requirements of the Wildlife Regulations 2013.

A return form reminder letter and a copy of submitted return forms will not be provided by DELWP.
