Heather Brayford  
Deputy Director General, Sustainability and Biosecurity  
Department of Primary Industries and Regional Development  
Locked Bag 4  
Bentley Delivery Centre WA 6983

Dear Ms Brayford

I am writing to you as Delegate of the Minister for the Environment in relation to the reassessment of the Western Australian Marine Aquarium Fish Managed Fishery (the fishery) under the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

In August 2019, the Western Australian Department of Primary Industries and Regional Development applied for export approval for the fishery under the EPBC Act. The application has been assessed, and I have declared the fishery an approved wildlife trade operation under Part 13A of the EPBC Act until 14 October 2022. The list of exempt native specimens has also been amended, to allow export of product from the fishery while the specimens are covered by the declaration as an approved wildlife trade operation.

The Part 13A declaration includes conditions that were agreed by officials from both departments as areas requiring ongoing attention. These are set out at [Attachment 1](#).

The existing Part 13 accreditation will remain in place based on the previous assessment of the fishery's management arrangements, designed to minimise interactions with species listed under the EPBC Act. The existing Part 13 accreditation specifies one condition, requiring that persons fishing in accordance with the management regime for the fishery, in force under the *WA Fish Resources Management Act 1994* and the *Western Australian Fish Resources Management Regulations 1995*, do not retain any species listed under Part 13 of the EPBC Act taken, killed or injured in Commonwealth waters as a result of fishing.

Please note that any person whose interests are affected by this decision may make an application to the Department for the reasons for the decision, and may apply to the Administrative Appeals Tribunal to have this decision reviewed. I have enclosed further information on these processes at [Attachment 2](#).

Yours sincerely

Delegate of the Minister for the Environment

14 October 2019

**Part 13A conditions to the Western Australian Department of Primary Industries and Regional Development on the approved wildlife trade operation declaration for the Western Australian Marine Aquarium Fish Managed Fishery – October 2019**

1. Operation of the WA Marine Aquarium Fish Managed Fishery will be carried out in accordance with the management regime under the Fish Resources Management Act 1994 (Western Australia) and the Fish Resources Management Regulations 1995 (Western Australia).
2. The Western Australian Department of Primary Industries and Regional Development to inform the Department of the Environment and Energy of any intended material changes to the Western Australian Marine Aquarium Fish Managed Fishery management arrangements that may affect the assessment against which *Environment Protection and Biodiversity Conservation Act 1999* decisions are made.
3. The Western Australian Department of Primary Industries and Regional Development to produce and present reports to the Department of the Environment and Energy annually as per Appendix B of the 'Guidelines for the Ecologically Sustainable Management of Fisheries - 2nd Edition'.
4. The Western Australian Department of Primary Industries and Regional Development to:
  - a) continue to limit harvest of CITES listed species, according to current non-detriment findings, for each species or species group
  - b) continue to consult with the Department of the Environment and Energy, prior to a change to the management arrangements for a CITES or EPBC Act listed species being implemented.
5. The Western Australian Department of Primary Industries and Regional Development to:
  - a) consider conducting a review of the risk assessment for CITES species including coral, with consideration given to determining risk over the next five years.
  - b) continue to consider further research into CITES species in the context of the outcomes of the risk assessment, including species distribution and abundance, in areas of high fishing effort.
  - c) continue to collaborate with relevant stakeholders, to conduct research and provide outcomes of research projects, to the Department of the Environment and Energy, when outcomes are finalised. Outcomes should also be made publicly available.

### Notification of Reviewable Decisions and Rights of Review<sup>1</sup>

There is a right of review to the Administrative Appeals Tribunal (AAT) in relation to certain decisions/declarations made by the Minister, the Minister's delegate or the Secretary under Part 13A of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

Section 303GJ(1) of the EPBC Act provides that applications may be made to the AAT for the review of the following decisions:

- (a) to issue or refuse a permit; or
- (b) to specify, vary or revoke a condition of a permit; or
- (c) to impose a further condition of a permit; or
- (d) to transfer or refuse to transfer a permit; or
- (e) to suspend or cancel a permit; or
- (f) to issue or refuse a certificate under subsection 303CC(5); or
- (g) of the Secretary under a determination in force under section 303EU; or
- (h) to make or refuse a declaration under section 303FN, 303FO or 303FP; or
- (i) to vary or revoke a declaration under section 303FN, 303FO or 303FP.

If you are dissatisfied with a decision of a type listed above you may:

- by notice, provided in writing, request that the Minister or the Minister's delegate give you a statement in writing setting out the reasons for the decision as per section 28 of the *Administrative Appeals Tribunal Act 1975*. The Minister, or Minister's delegate may refuse to give you a statement of reasons if your application is made more than 28 days after the day on which you received this notice.
- apply to the AAT for independent merits review of the decision. The AAT undertakes *de novo* merits review. This means they take a fresh look at the facts, law and policy relating to the decision and arrive at their own decision. They decide if the decision should stay the same or be changed. They are independent of the Department.

Application for review of a decision must be made to the AAT within **28 days** after the day on which you have received the reviewable decision. However an extension of time for lodging an application may be granted by the AAT under certain circumstances. Please visit the AAT's website at <http://www.aat.gov.au/> or telephone 1800 228 333 for further information. The role of the AAT is to provide a review mechanism that is fair, just, economical, informal and quick.

### Applications & Costs

Applications to the AAT are made by lodging an Application Form (Form 1). This can be found on the AAT's website at <http://www.aat.gov.au/>.

There are no strict timelines in which the AAT must review the decision, however the first conference between the parties will usually be held within 6 to 10 weeks of the application

---

<sup>1</sup> In accordance with the *Administrative Appeals Tribunal Act 1975* Code of Practice for Notification of Reviewable Decisions and Rights of Review

being lodged. The time frame for review of certain decisions can be expedited in some circumstances.

The cost of lodging an application for review is \$920 (as of 1 July 2018) (GST inclusive). You may be eligible to pay a reduced fee of \$100.00 if

- you are receiving legal aid for your application;
- you hold a health care card, a Commonwealth seniors health card or any other card issued by the Department of Social Services or the Department of Veteran's Affairs that entitles the holder to Commonwealth health concessions;
- you are in prison or lawfully detained in a public institution;
- you are under 18 years of age; or
- you are receiving youth allowance, Austudy or ABSTUDY.

You may also be eligible for a reduced fee if you can demonstrate to the AAT that paying the full fee would cause you financial hardship. Further information can be found on the AAT's website. Additionally, you can access information about legal assistance at <https://www.ag.gov.au/LegalSystem/Legalaidprogrammes/Commonwealthlegalfinancialassistance/Documents/LegalFinancialAssistanceInformationSheet.pdf>.

If you pay a standard application fee, most of it will be refunded if the case is resolved in your favour. The refund amount is the difference between the fee you paid and \$100. So, if you paid \$884, you get back \$784 and if you pay \$920, you get back \$820. There is no refund if you paid the lower application fee for certain taxation decisions or the reduced fee of \$100.
