APPLICATION FOR RE-APPROVAL FORM

for the purposes of, paragraph 31-5 (5)(c) of the
Income Tax Assessment Act 1997

I _____
(name and position)

hereby apply for re-approval of the

(program name)
(the program) for the purposes of, paragraph 31-5 (5)(c) of the *Income Tax Assessment Act 1997*.

Full name and ABN of administering organisation: _____

Program internet address: _____

Program contact officer: _____
(name and title)

(phone number and email address)

I have sought advice on, and am aware of, relevant provisions and requirements under the *Income Tax Assessment Act 1997*.

I attach the application and supporting information on which the original approval was made for the purposes of paragraph 31-5 (5) (c) of the *Income Tax Assessment Act 1997*, and I certify that the program continues to operate in accordance with this application and supporting information.

OR

(strike out the paragraph immediately above or below that is not applicable.)

I attach the application and supporting information on which the original approval was made, and a further submission detailing the extent to which operations of the program now differ from that original application and supporting information. The submission details the changes to operations as they relate to each of the eight guidelines for approval of a conservation covenanting program issued by the Department of the Environment and Energy.

I certify that the program still has the main objective of permanently protecting, conserving and managing environmental values, through the use of a conservation covenanting instrument and conservation covenants entered into by the program under this approval are permanent and registered on title (where possible).

I agree to provide an annual report, for covenants with concessional tax deductibility status, detailing the number of covenants entered into; the area covered; the conservation values protected; and payments under the covenant for (a) capital consideration (if applicable), and (b) contribution to management actions. I agree to provide other program data as agreed with the Department of the Environment and Energy.
