Dear Mr Druitt

I am writing to you as Delegate of the Minister for the Environment in relation to the assessment of the Northern Territory Coastal Line Fishery (the fishery) under Part 13 and Part 13A of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

In March 2018 you provided an application to the Department of the Environment and Energy seeking export approval for the operation. The application has been assessed and I have declared the fishery an approved wildlife trade operation under Part 13A of the EPBC Act until 23 January 2022.

The list of exempt native specimens has also been amended to allow export of product from the fishery while the specimens are covered by the declaration as an approved wildlife trade operation. The Part 13A declaration includes conditions that were agreed by officials from my department and the Northern Territory Department of Primary Industries and Resources as areas requiring ongoing attention. These are set out at **Attachment 1**.

I am also satisfied the management arrangements for the fishery meet the requirements under Part 13 of the Act and I propose to accredit the management arrangements accordingly.

Please note that any person whose interests are affected by this decision may make an application to the Department for the reasons for the decision, and may apply to the Administrative Appeals Tribunal to have this decision reviewed. I have enclosed further information on these processes at **Attachment 2**.

As the Northern Territory Coastal Line Fishery operates within Northern Territory waters, I have sent a similar letter to Mr Ian Curnow, Executive Director for the Northern Territory Department of Primary Industries and Resources, for his information.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Paul Murphy'.

Paul Murphy
Delegate of the Minister for the Environment
31 January 2019

Conditions on the approved wildlife trade operation declaration for the Northern Territory Coastal Line Fishery, January 2019

1. Operation of the Northern Territory Coastal Line Fishery will be carried out in accordance with the Northern Territory Department of Primary Industry and Resources fisheries management regime in force under the *Northern Territory of Australia Fisheries Act 1988* and Northern Territory of Australia Fisheries Regulations 1993.
2. The Northern Territory Department of Primary Industry and Resources to inform the Department of any intended material changes to the Northern Territory Coastal Line Fishery management arrangements that may affect the assessment against which *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act) decisions are made.
3. The Northern Territory Department of Primary Industry and Resources to produce and present reports to the Department annually as per Appendix B of the *Guidelines for the Ecologically Sustainable Management of Fisheries - 2nd Edition*.
4. The Northern Territory Department of Primary Industry and Resources to:
 - a) continue data collection, stock assessments, management, and monitoring of target species in the fishery.
 - b) ensure there are effective controls in all zones of the fishery which should include decision rules and reference points that trigger management actions that seek to avoid overfishing and support the recovery of overfished stocks.
 - c) ensure catch composition is sufficiently monitored and understood to inform whether stocks impacted by the fishery are being sustainably managed and not overfished or subject to overfishing. Performance against this condition must be included in annual reports specified at Condition 3.

Notification of Reviewable Decisions and Rights of Review¹

There is a right of review to the Administrative Appeals Tribunal (AAT) in relation to certain decisions/declarations made by the Minister, the Minister's delegate or the Secretary under Part 13A of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

Section 303GJ(1) of the EPBC Act provides that applications may be made to the AAT for the review of the following decisions:

- (a) to issue or refuse a permit; or
- (b) to specify, vary or revoke a condition of a permit; or
- (c) to impose a further condition of a permit; or
- (d) to transfer or refuse to transfer a permit; or
- (e) to suspend or cancel a permit; or
- (f) to issue or refuse a certificate under subsection 303CC(5); or
- (g) of the Secretary under a determination in force under section 303EU; or
- (h) to make or refuse a declaration under section 303FN, 303FO or 303FP; or
- (i) to vary or revoke a declaration under section 303FN, 303FO or 303FP.

If you are dissatisfied with a decision of a type listed above you may:

- by notice, provided in writing, request that the Minister or the Minister's delegate give you a statement in writing setting out the reasons for the decision as per section 28 of the *Administrative Appeals Tribunal Act 1975*. The Minister, or Minister's delegate may refuse to give you a statement of reasons if your application is made more than 28 days after the day on which you received this notice.
- apply to the Administrative Appeals Tribunal (**AAT**) for independent merits review of the decision. The AAT undertakes *de novo* merits review. This means they take a fresh look at the facts, law and policy relating to the decision and arrive at their own decision. They decide if the decision should stay the same or be changed. They are independent of the Department.

Application for review of a decision must be made to the AAT within **28 days** after the day on which you have received the reviewable decision. However an extension of time for lodging an application may be granted by the AAT under certain circumstances. Please visit the AAT's website at [{ HYPERLINK "http://www.aat.gov.au/" }](http://www.aat.gov.au/) or telephone 1800 228 333 for further information. The role of the AAT is to provide a review mechanism that is fair, just, economical, informal and quick.

Applications & Costs

Applications to the AAT are made by lodging an Application Form (Form 1). This can be found on the AAT's website [{ HYPERLINK "http://www.aat.gov.au/" }](http://www.aat.gov.au/).

There are no strict timelines in which the AAT must review the decision, however the first Conference between the parties will usually be held within 6-10 weeks of the Application being lodged. The time frame for review of certain decisions can be expedited in some circumstances.

The cost of lodging an application for review is is \$920 (as of 1 July 2018) (GST inclusive). You may be eligible to pay a reduced fee of \$100.00 if

¹ In accordance with the *Administrative Appeals Tribunal Act 1975* Code of Practice for Notification of Reviewable Decisions and Rights of Review

- you are receiving legal aid for your application;
- you hold a health care card, a Commonwealth seniors health card or any other card issued by the Department of Social Services or the Department of Veteran's Affairs that entitles the holder to Commonwealth health concessions;
- you are in prison or lawfully detained in a public institution;
- you are under 18 years of age; or
- you are receiving youth allowance, Austudy or ABSTUDY.

You may also be eligible for a reduced fee if you can demonstrate to the AAT that paying the full fee would cause you financial hardship. Further information can be found on the AAT's website. Additionally, you can access information about legal assistance here [{ HYPERLINK "https://www.ag.gov.au/LegalSystem/Legalaidprogrammes/Commonwealthlegalfinancialassistance/Documents/LegalFinancialAssistanceInformationSheet.pdf" }](https://www.ag.gov.au/LegalSystem/Legalaidprogrammes/Commonwealthlegalfinancialassistance/Documents/LegalFinancialAssistanceInformationSheet.pdf).

If you pay a standard application fee, most of it will be refunded if the case is resolved in your favour. The refund amount is the difference between the fee you paid and \$100. So, if you paid \$884, you get back \$784 and if you pay \$920, you get back \$820. There is no refund if you paid the lower application fee for certain taxation decisions or the reduced fee of \$100.
