NATIONAL PARK

PERMIT APPLICATION FORM

Camping in Kakadu National Park

Kakadu National Park is a Commonwealth reserve established under the *Environment Protection and Biodiversity Conservation Act 1999* (the EPBC Act) to manage the environment of the region for the benefit of all people, present and future. The Director of National Parks uses a permit system to help regulate some activities. Permits may be issued subject to conditions that help to identify, protect, conserve and manage biodiversity, heritage and other values of national parks. This is a system through which industry and the public can share in the responsibilities of managing and protecting the park. Permits enable park managers and the Aboriginal traditional owners of Kakadu National Park to:

- maximise park visitor safety
- encourage responsible behaviour in the park
- ensure that commercial and other park users are accountable for their actions
- separate potentially conflicting activities
- manage impacts on high-use and sensitive areas
- monitor activities that could degrade biodiversity, heritage and other park values
- collect data for planning and management.

This application is for a permit to camp in certain areas in Kakadu National Park. Most campsites show in the Visitor Guide do not require a permit.

Apply well in advance

Please allow a minimum of 14 days for application processing. If your first tour commences in less than 14 days time, please contact the Permits Officer on 08 8938 1140 (if calling from within Australia) or 61 8 8938 1140 (if calling from overseas), or email kakadu.permits@environment.gov.au.

How to Apply

Copies of the application form can be posted, faxed or emailed to you, or downloaded from www.environment.gov.au/resource/camping-and-bushwalking.

To apply for a permit, please:

- ensure you understand and are prepared to comply with the permit conditions
- answer all the questions in the application form—if you need more space than is available on the form, please attach a separate sheet

Ensure you answer all the questions to the best of your knowledge; there are severe penalties for giving false or misleading information. By emailing, posting or faxing this application form to the Permits Officer, all proposed permit holders agree that if a permit is issued, they and their staff and agents will act in accordance with all of its permit conditions.
